Ain't That Love

Stevie Wonder

Now, baby when you sigh (when you sigh) I wanna sigh with you When you cry (when you cry) I wanna cry some, too Now, ain't that love (ain't that love) Oh, ain't that love that I feel (that I feel) In my heart for you When your friends (when your friends) Turn their back on you I'll be here (I'll be here) Just to see you through Now, ain't that love (ain't that love) Ain't that love (ain't that love) Ain't that love, oh now Ain't that love That I feel in my heart for you Now when you walk (when you walk) I wanna walk with you When you talk (when you talk) Wanna talk some, too Now, ain't that love (ain't that love) Oh, ain't that love that I feel (that I feel) In my heart for you If you ever (if you ever) Ever need a friend I'll be with you (be with you) Yes, until the end Now, ain't that love (ain't that love) Ain't that love (ain't that love) Don't you know, baby Don't you know, I (oh, oh, oh, oh) Ain't that love, Baby that I feel

In my heart for you

Baby, won't you let me Hold your hand I want to squeeze you As tight as I can Baby, don't you need My by your side To protect you and Be your guide Baby, I'm so in love with you I'd do anything you tell me to Now, ain't that love (ain't that love) Ain't that love (ain't that love) C'mon now, ain't that love, now (oh, oh, oh, oh) Ain't that love, Baby that I feel In my heart for you Oh, that I feel in my Heart for you Oh, that I feel in my Heart for you Oh, that I feel in my Heart for you

Oh!
