

# Another Star

Stevie Wonder

La la la la la la lala la

1. For you  
There might be another star  
But through my eyes the light of you it's all I see  
For you  
There might be another song  
But all my heart can hear is your melo-dy

R: So long a-go my heart without de-manding  
In-formed me that no other love could do  
But listen did I not though understand-ing  
Fell in love with one  
Who would break my heart in two

2. For you  
Love might bring a toast of wine  
But which each sparkle know the best for you I pray  
For you  
Love might be for you to find  
But I will celebrate our love of yester-day

R: So long a-go my heart...

3. For you  
There might be another star  
But through my eyes the light of you it's all I see  
For you  
There might be another song  
But in my heart your melo-dy will stay with me
