

For Your Love

Stevie Wonder

All the gold in all the world
Is nothing to possess
If all the things that it can bring
Can't add up to one ounce of your happiness

And for your love
I would do anything
Just to see the smile upon your face
For your love
I would go anywhere
Just you tell me and I'll be right there

A diamond that shines
Like a star in the sky
Is nothing to behold
For minuscule is any light
If it can't like you brighten up my soul

And for your love
I would do anything
Just to see the smile upon your face
For your love
I would go anywhere
Just you tell me and I'll be right there

I could have never fathomed this
Such joy, love and tenderness
That you give to me
For the love I feel inside
It's so wonderful I can't hide
And I glow, I glow
With just the thought of you
I do, I do, I do, I do, I do, I do

And for your love
I would do anything
Just to see the smile upon your face
For your love
I would go anywhere
Just you tell me and I'll be right there
