

# Hallelujah, I Love Her So

Stevie Wonder

Let me tell you 'bout a boy (girl) I know.  
He (She) is my baby and he (she) lives next door.  
Every morning 'fore the sun come up,  
He (she) brings my coffee in my favorite cup.  
That's why I know, yes, I know,  
Hallelujah, I just love him (her) so.  
When I'm in trouble and I have no friends,  
I know she'll go with me until the end.  
Everybody asks me how I know.  
I smile at them and say she told me so.  
That's why I know, yes, I know,  
Hallelujah, I just love her so.  
Now if I call her on the telephone,  
And tell her that I'm all alone,

By the time I count from one to four, I hear her on my door.  
In the evening when the sun does down,  
When there is nobody else around,  
She kisses me and he (she) holds me tight.  
And tells me "Baby, (Daddy) every thing's all right."  
That's why I know, yes, I know,  
Hallelujah, I just love him (her) so.

By the time I count from one to four, I hear her on my door.  
In the evening when the sun does down,  
When there is nobody else around,  
She kisses me and he (she) holds me tight.  
And tells me "Baby, (Daddy) ev'ry thing's all right."  
That's why I know, yes, I know,  
Hallelujah, I just love him (her) so.
