## **Happy Birthday**

## **Stevie Wonder**

You know it doesn't make much sense There ought to be a law against Anyone who takes offense At a day in your celebration Cause we all know in our minds That there ought to be a time That we can set aside To show just how much we love you And I'm sure you would agree It couldn't fit more perfectly Than to have a world party on the day you came to be

Happy birthday to you Happy birthday to you Happy birthday

Happy birthday to you Happy birthday to you Happy birthday

I just never understood How a man who died for good Could not have a day that would Be set aside for his recognition Because it should never be Just because some cannot see The dream as clear as he that they should make it become an illusion And we all know everything That he stood for time will bring For in peace our hearts will sing Thanks to Martin Luther King

Happy birthday to you Happy birthday to you Happy birthday

Happy birthday to you Happy birthday to you Happy birthday

Why has there never been a holiday Where peace is celebrated all throughout the world

The time is overdue For people like me and you Who know the way to truth Is love and unity to all God's children It should be a great event And the whole day should be spent In full remembrance Of those who lived and died for the oneness of all people So let us all begin We know that love can win Let it out don't hold it in Sing it loud as you can

Happy birthday to you Happy birthday to you Happy birthday Happy birthday to you Happy birthday to you Happy birthday Happy birthday to you Happy birthday to you Happy birthday Happy birthday to you Happy birthday to you Happy birthday Happy birthday Happy birthday Happy birthday Ooh yeah Happy birthday... We know the key to unify all people Is in the dream that you had so long ago That lives in all of the hearts of people That believe in unity We'll make the dream become a reality

Because our hearts tell us so

I know we will
