

## Hey Love

Stevie Wonder

Hey love  
May I have a word with you?  
I'd like to tell you, yeah  
Just what I've been going through  
My nights are so long  
As I watch each hour go by  
Hoping and praying  
That someday I will be your guy

Hey love  
You're my one true soul desire  
Hey love, baby  
Can you feel this burning fire

Hey love  
There's one thing I find so true  
When you are near me  
I go through a change or two  
Hearing your footsteps  
I hurry to catch your eye  
And I stand there waiting, yeah  
But girl, you just walk on by

Say love  
With a cold heart you are dealing  
Hey love, yeah  
It's an awful hurting feeling

Hey love  
Don't pass me without some sign  
Just look me over, yeah  
You might want to change your mind
