

# I'd Cry

Stevie Wonder

I'd cry  
If you leave me sad and blue  
I'd cry  
If you ever say we're through  
I'd cry  
If it can't be me and you  
Lonely tears I'd shed  
I'd hang my head

I'd cry  
Like a little bitty babe  
I'd cry  
If you ever walked away  
I'd cry  
If you call it a day  
I'd cry for years  
I'd drown in tears

Oh sugar baby I love you so  
I need you more than you know  
And if I ever had to let you go  
I'd sit around I'd break right down

I'd cry  
Deep down in my heart  
I'd cry  
If you leave me tears would start  
I'd cry  
Everyday that we're apart  
I'd cry a river  
Don't you leave me ever

Baby you release in me  
Flame of love burns within me  
I'd be sad as I can be  
If I had to do without you

I'd cry  
If you ever put me down  
I'd cry  
If you ever play around  
I'd cry  
It will fall to the ground  
I'd fall apart  
If you break my heart

Oh, I love you love you  
More than words can say  
Love you more and more each day  
If you ever ever walk away  
I couldn't go on  
I'd sit at home

I'd cry  
Like a little bitty babe  
I'd cry  
If you ever walked away

I'd cry  
If you call it a day  
I'd cry for years  
I'd drown in tears

I'd cry  
If you leave me sad and blue  
I'd cry  
If you ever say we're through  
I'd cry
