I don't know why I love you I don't know why I love you I don't know why I love you But I love you

Always treat me like a fool Kick me when I'm down that's your rule I don't know why I love you But I love you Oh you never stop your Cheatin ways with another guy You laugh in my face Lord how long must I be disgraced Cause I love you Oh baby, baby, baby I don't know why I love you I don't know You and me baby, oh I don't know why I love you baby But I love you baby Oh darlin, darlin, darlin

You throw my heart down in the dirt You made me crawl on This cold black earth, baby No I never, I never knew How much love could hurt Until I loved you baby Till I loved you baby, baby Oh baby, I can't stop I can't stop crying can't you see Here I'm pleadin on my knees I'm on my knees Won't you help me, help me please Cause I love you, I love you baby Sure enough, baby, yeah I don't know, you don't know We don't know none of us Can't do nothing about it I don't know, I don't know Oh baby, I don't know, I don't know Nobody can do nothing about it
