

I Wanna Talk to You

Stevie Wonder

M-m-m-m-m-m-m-m-m-m-m-m-m-m-m

Lord, Lordy, Lordy
Standing here on my own side
Waitin' Fo' the floor
Your world's movin' fast
But still ends up a bore
Come on give me a little room na
Do you have to take it all
Yeah that's the way it is I guess
Then you're born with nothin' at all

Uh- Uh- Uh- Uh- Uh- Uh- Uh
I wanna talk to you
I wanna talk to you
Hey boy don't feel my world's untrue
Yeah, I wanna talk to you
My world can be true
I wanna talk to you

Pick up my life at the table
Read about the way I could be
But I know I just ain't able
So I read about the real me
Who can I blame
For the way I am
I ain't never had one soul to help me
So I don't give a.....

Uh- Uh- Uh- Uh- Uh- Uh- Uh
Watch that boy, watch that
I heard you thinkin'
I wanna talk to you
I wanna talk to you
Don't feel my world's untrue
Yeah, boy I wanna talk to you
My world can be true
But you gotta find out what to do
I wanna talk to you sonny beau

Gotta woman that lov' me
Feed me beans ev'ry night
Twelve babies look up at me
Wid Big grey hungry eyes
Oh but I just can't complain
You see ya, said I ain't allowed
Oh but pretty soon will come a change
When I gain the biggest mouth

Uh- Uh- Uh- Uh- Uh- Uh- Uh
I wanna talk to you
I wanna talk to you
Don't feel my world's untrue
Yeah boy , I wanna talk to you
My world can be true
I'm a show you what to do
I wanna talk to you

Hey don't wanna talk to you
What you mean by that boy
I don't wanna talk to you
I recognize you as being a human being
I've been listening to you for 250 thousand years
I called you Steve when you were amongst my friends
Don't wanna talk to you
I wanna talk to you
Too late
Naw boy
Too late I can't wait
Naw
Don't wanna talk to you

You can have dinner with me next week
and after that you can mow my lawn
Hey don't wanna talk to you naw
Understand me
You can't tell me nothin' white man
Try to understand yourself
Oh I don't wanna say a word to you
Do ya understand me
Naw I don't hear ya - I wanna talk
Too late
Naw it ain't
Can't wait
Yes, ya can
Don't wanna talk to you
Ah Stevie boy
Hey I don't need you for nothin'
Come on Stevie let's talk na
Don't wanna talk to you

You know I'm ya friend
I'm gonna take my share
N-N- Naw Stevie you can't do that
I-I-I give it to ya
Don't wanna talk to you
Un-Un-Understand me na
Yeah it's too late
You-You's my brother
Can't wait
You my brother na
Don't care about your sake
Ah, ah, ah, ah, ah Stevie
I don't wanna talk to you
I guess I can't say N-N-Nothin' to you

Lordy, Lordy, Lordy, Lordy, Lord
Naw, Naw, Naw, Naw, Naw
Naw, Naw, Naw, Naw, Naw
