

Joy (Takes Over Me)

Stevie Wonder

You can bet you're sweeter than ever,
And your love is making it better.
I can feel it in my bones,
Oh, each time we're alone,
Cause I live in ecstasy,
And my soul refuses sleep,
Cause joy, joy, takes over me.
Through thick and thin I'll stand,
Loving you always.
Yes, I need you, mama,
To take the heartache away.
I know the sun's gon' shine,
And as long as you're mine:
It's joy, joy, joy, I feel inside.
Your love's potion
Gives me the notion
To shout out loud.
Oh, baby, baby, baby, babe.
Like a spinning top,
I can't stop,
Just loving you.
You know Stevie loves you;
Needs you, baby, oh yeah.
You know my love is sure to live;
Ain't goin' nowhere.
And I do believe, girl,
You were meant for me,
Cause I live in ecstasy,
And my soul refuses sleep,
Cause joy, joy, takes over me.
Oh, baby, joy,
Joy, joy, joy, joy,
Joy, joy, joy, joy, joy, joy...
The way you love me; joy
Takes over me.
Oh, the way you love me;
The way you need me;
Baby, please don't leave me.
I get joy.
