

Light My Fire

Stevie Wonder

Oh baby, you know that it would be untrue
Know that I would be a liar
If I was to say to you
Hey girl, you know we couldn't get much higher

Hey come on, baby, light my fire
Come, baby, light my fire, yeah
Try to set the night on fire

The time to hesitate is through
There's no time to wallow in the mire
If we try now we can only lose
And our love may come a funeral pyre

Hey, hey come on, baby, light my fire
Come on, baby, light my fire, yeah
Try to set the night on fire, oh baby, baby

Hey, hey come on, baby, light my fire
Oh baby, come on, baby, light my fire
Try to set the night on fire, yeah baby, oh babe

You know that it would be untrue
And you know I would be a liar
Don't let it ... and say to you
Hey baby, we couldn't get much higher

Hey come on, baby, light my fire
Come on, baby, light my fire, baby, yeah, baby
Try to set the night on fire, oh baby

Hey come on, baby, light my fire ...
Come on, baby, light my fire, baby
Try to set the night on fire, oh baby, baby
