

## Love a Go Go

Stevie Wonder

We've got love a go go  
Faithful as the dawn  
Lover lover go go now  
Love a love a go go now  
Tomorrow it may be gone

We've got love a go go  
We've got love to spare  
Lover lover go go now  
Love a love a go go now  
Tomorrow we may not care

Maybe you'll be true  
And never say we're through  
But lover love me now as though  
You really mean you'll always love me so

We've got love a go go  
Let's not wonder why  
Lover lover go go now  
Love a love a go go now  
Tomorrow our love may die

Maybe you'll be true  
And never say we're through  
But lover love me now as though  
You really mean you'll always love me so

We've got love a go go  
Let's not wonder why  
Lover lover go go now  
Love a love a go go now  
Tomorrow our love may die

We've got love  
Love a go go  
We've got love  
Love a go go
