

# Please Don't Go

Stevie Wonder

Uuu uuu uuu uuu uuu uuu uuu.

Please don't go, no no no;  
If you go I'll be sad and blue,  
So I say no no no, don't go away.

Oh no please don't leave, baby please;  
If you should leave my poor heart would grieve  
So I say nay nay nay, baby please stay.

And I'll do ev'rything you want me to  
If you promise that you won't leave tonight  
'Cause I'll break down and cry a river of tears  
With just the thought of you not here in my life.

So please don't go, no no no;  
If you should go I'll be sad and blue,  
So I say no no no, don't go away.  
Yeah baby, baby, baby.

And I'll do ev'rything you want me to  
If you promise that you won't leave tonight  
'Cause I'll break down and cry a river of tears  
With just the thought of you not here in my life.

Oh no no, no no, yea yea  
Please don't go, don't say bye  
Tell me why baby do you wanna make me cry,  
Please please stay  
Oh no no, no no, I'm gonna try.

Yeah, yeah, yeah so baby please don't leave  
Don't leave Steve  
If you leave baby my poor heart would grieve  
So I say yeah yeah yeah  
Don't go  
Don't go baby, don't go baby,  
Don't go baby, don't go baby,  
Don't go baby, don't go baby,  
Don't go baby, don't go baby,  
Don't go baby, darling,  
Don't leave me baby,  
Wow a wow a wow  
Wow a wow a wow  
Wow a wow a wow  
No baby don't leave me baby  
Yeah baby don't get on that A train  
Hear me, hear me, hear me, hear me  
(Cryin')  
Cryin'. For your lovin' in the midnight hour,  
Cryin'. For your lovin' in the morning. I was.  
Don't go baby, hear me cryin', oh no oh no,  
Don't go baby, no no no no, oh no no yeah, yeah, yeah.
