Ruby

Stevie Wonder

They say, Ruby you're like a dream Not always what you seem And though my heart may break when I awake Let it be so, I only know, Ruby, it's you

They say, Ruby you're like a song You just don't know right from wrong And in your eyes I see heartaches for me Right from the start, who stole my heart? Ruby, it's you

I hear your voice and I must come to you (Must come to you) I have no choice, so what else can I do? (What else can I do?)

They say, Ruby you're like a flame Into my life you came And though I should beware, still I just don't care You thrill me so, I only know, Ruby, it's you

I hear your voice and I must come to you I have no choice, what else can I do? What can I do?

They say, Ruby you're like a flame Into my life you came And though I should beware, still I don't care You thrill me so, I only know, Ruby, it's you
