Saturn

Stevie Wonder

Packing my bags-going away To a place where the air is clean On saturn There's no sense to sit and watch the people die We don't fight our wars the way you do We put back all the things we use On Saturn There's no sense to keep on doing such crimes There's no principles in what you say No direction in the things you do For your world is soon to come to a close Through the ages all great men have taught Truth and happiness just can't be bought-or sold Tell me why are you people so cold I'm.... Going back to Saturn where the rings all glow Rainbow, moonbeams and orange snow On Saturn People live to be two hundred and five Going back to saturn where the people smile Don't need cars cause we've learn to fly On Saturn Just to live to us is our natural high We have come here many times before To find your strategy to peace is war Killing helpless men, women and children That don't even know what they are dying for We can't trust you when you take a stand With a cold expression on your face Saying give us what we want or we'll destroy I'm.... Going back to Saturn where the rings all glow Rainbow, moonbeams and orange snow On Saturn People live to be two hundred and five Going back to saturn where the people smile Don't need cars cause we've learn to fly On Saturn Just to live to us is our natural high
