

Summer Soft

Stevie Wonder

Summer soft...

Wakes you up with a kiss to start the morning off
In the midst of herself playing Santa Claus
She brings gifts through her breeze

Morning rain...

Gently plays her rhythms on your window pane
Giving you no clue of when she plans to change
To bring rain or sunshine

And so you wait to see what she'll do

Is it sun or rain for you
But it breaks your heart in two
When you find it's October

And she's gone

And she's gone

Summer's gone

Taking with her summer's play

Winter wind...

Whispers to you that he wants to be your friend
But not waiting for your answer he begins
Forcing dangers 'way with his breeze

Morning snow...

Plans to have a winter ball for you to throw
But just where or when he never lets you know
If it's snow or clear days you'll find

And so you wait to see what he'll do

Is it sun or snow for you
But it breaks your heart in two
Cause you've been fooled by April

And he's gone

And he's gone

Winter's gone

You find it's October

And she's gone

And she's gone

Summer's gone

You've been fooled by April

And she's gone

And she's gone

Winter's gone

You find it's October

And she's gone

And she's gone

Summer's gone

You've been fooled by April

And she's gone

And she's gone

Winter's gone
