

# The Shadow of Your Smile

**Stevie Wonder**

The shadow of your smile when you are gone  
Will color all my dreams and light the dawn  
Look into my eyes, my love, and see  
All the lovely things you are to me

Our wistful little star was far too high  
A teardrop kissed your lips and so did I  
Now when I remember spring  
All the joy that love can bring  
I will be remembering  
The Shadow of your smile
