

Too Shy to Say

Stevie Wonder

You make me smile
You make me sing
You make me feel good everything
You bring me up
When I've been down
This only happens when you're around

And I can't go on this way...
With it stronger every day...
But being too shy to say
That I really love you...

I wanna fly
Away with you
Until there's nothing more for us to do
I wanna be
More than a friend
Until the end of an endless end

And I can't go on this way...
With it stronger every day...
But being too shy to say
That I really love you...

And I can't go on this way...
Feelin' it stronger every day...
But being too shy to say
That I really love you
Ohh... ooh...
I... do...
