## **Stevie Wonder**

You make me smile You make me sing You make me feel good everything You bring me up When I've been down This only happens when you're around And I can't go on this way... With it stronger every day... But being too shy to say That I really love you... I wanna fly Away with you Until there's nothing more for us to do I wanna be More than a friend Until the end of an endless end And I can't go on this way... With it stronger every day... But being too shy to say That I really love you... And I can't go on this way... Feelin' it stronger every day... But being too shy to say That I really love you Ohh.. ooh... I... do...
