

## With A Song In My Heart

Stevie Wonder

With a song in my heart  
I behold your adorable face  
Just a song from the start  
But it still is a hymn to your grace  
When the music swells  
I'm holding your hand  
It tells that you're standing there, and  
At the sound of your voice  
Heaven opens its portals to me  
Can I help but rejoice  
That a love such as ours came to be  
But I always knew  
I would live life through  
With a song in my heart for you

But I always knew  
I would live life through  
With a song in my heart  
Now with a song in my heart  
With a song in my heart for you
