

Alright With Me

Stick Figure

take it or leave it, its alright with me
do what you want to do now, its alright with me
we live it up, we live up, we take it easy, its alright
with me

i hope you can feel it, its alright with me

stand down, you can never get me down
this is not the place, so don't come around me
hold ground, there ain't no problem
i'll be stepping down, but don't fight about me

don't tease me, alright with me
i hope you can feel it, what you done to me

well I'm beginning to see the first sign of light
its been a long time but have you ever been told
the love it cover the earth, the water cover the sea
some live for them silver and gold

be careful of what you do now, its alright with me
i'm so confused now, alright we me
we live it up, we live up, we take it easy, its alright
with me
get up and get even, alright with me

take it or leave it, alright with me
do what you want to do now, alright with me
we live it up, we live up, we take it easy, alright with
me
we moving westbound with the sound now, alright with me
