

Fight The Feeling

Stick Figure

chasin' my mind
it a waste of my time
there's a world outside
so please don't run away
giving up strong
singing my song
just to pass the time, yeah
its time to throw away

don't fight, fight the feeling
don't fight, let it go
oh why, oh why, why don't you start believing
oh why, why not just let it go

steppin on down following the crowd
then it caught my eye
well i dont hesitate
sick of feeling numb moving closer to the sun
i like rain sometimes, yeah
but just not today

don't fight, fight the feeling
don't fight, let it go
oh why, oh why, why don't you start believing
oh why, why not just let it go

somewhere down the line, yeah
when you've had enough,
well everything will be just fine yeah
it will be alright

you can run away
but the world is here to say
time can fade away
we will take it day by day

we've gotta keep on moving on
keep on moving on
keep on moving on
keep on moving on
keep on moving on
