

In The World

Stick Figure

There's not alot fo time growing up in the world
Said there's not alot of time in the world
There's not alot of time in this world growing up
There's not alot of time in the world

I know
I breath
I'm Free

There's not alot fo time growing up in the world
Said there's not alot of time in the world
There's not alot of time in this world growing up I said
There's not alot of time in the world

I want to get one of my brothers in a song
My man William...

There's not alot of time growing up in the world
Said there's not alot of time in the world
There's not alot of time in this world growing up again
There's not alot of time in the world growing up again
There's not alot of time in the world
There's not alot of time growing up in this world
Said there's not alot of time in the world
