

Ring The Alarm

Stick Figure

Ring the alarm
The sun is shining
Ring the alarm
The sound is dying

Way in my brain no cocaine
I don't wanna I don't wanna go insane
I said now way in my brain no cocaine
I don't wanna I don't wanna go insane
Cause my brain oh no
Cause in my brain I know
Cause in my brain
Cause in my brain uh oh oh
You wanna find the time when you wake up in the morning
Everything is going fine till you catch yourself your
snorting
The thing that brings the most the power to your soul
You want to stay together but you can't trust him... I
know

Ring the alarm
The sun is shining
Ring the alarm
The sound is dying
Ring the alarm
The music's stopping
Ring the alarm
The sound is dying

I don't need to cocaine to be messing up my brain
I don't need no, messing up my brain
I don't need to cocaine to be messing up my brain
I don't need no
Don't give me the rock, don't give me the crack,
(give me the) sensi
