

Wonderful World

Sticky Fingaz

Now a days it's easier to get a gun than a education
That's why kids in trench coats shoot up they schools
And parents out live they kids
And sex, the thing that bring life also take it away
When you say this is a wonderful world, ha-ha-ha-ha

[Sticky Fingaz]
I've seen red for green, dead soldiers too,
I've seen men killed could have been me or you,
And I think to myself
What a wonderful world

[Unknown Voice]
Yo, Yo World, Yo, The Time Is Runnin' Out
The Times Runnin' Out

[Sticky Fingaz]
I've seen guys if blue, seize pounds of white
The rich rule the day
The poor starve at night
And I think to myself
What are wonderful world

[Unknown Voice]
Yo, Yo World, Yo, The Time Is Runnin' Out
The Times Runnin' Out

[Sticky Fingaz]
The serpent & the angel so deadly in disguise
Are all kinds of races drop like flies,
I've seen friends making friends saying
Sayin' "To Hell With you!"
Niggaz be jealous, hatin' on you
I've seen babies dyin'
Can't watch them grow
Brotha's at war, never get old
And I think to myself
What a wonderful world
Yessssss,

[Unknown Voice]
Yo, Yo World, Yo, The Time Is Runnin' Out
The Times Runnin' Out

[Sticky Fingaz]
I think to myself
What a wonderful world
Ohh, yeahhh

[Unknown Voice]
