

Fly the Flag

Stiff Little Fingers

Gimme a country that's red white and blue
Gimme the British way honest and true
Gimme the chance to be one of the few
Gimme gimme gimme gimme gimme

Gimme a nation where people are free
Free to do and free to be
Free to screw you before you screw me
Gimme gimme gimme gimme gimme

R:
Cos, I'm all right, I'm all right
Union Jack, fly the flag

Gimme a Britain that's got back the Great
a race of winners not cramped by the State
And only the helpless get left at the gate
Gimme gimme gimme gimme gimme
