

## Fly the Flag

## Stiff Little Fingers

Gimme a country that's red white and blue  
Gimme the British way honest and true  
Gimme the chance to be one of the few  
Gimme gimme gimme gimme gimme

Gimme a nation where people are free  
Free to do and free to be  
Free to screw you before you screw me  
Gimme gimme gimme gimme gimme

R:  
Cos, I'm all right, I'm all right  
Union Jack, fly the flag

Gimme a Britain that's got back the Great  
a race of winners not cramped by the State  
And only the helpless get left at the gate  
Gimme gimme gimme gimme gimme
