

## Wasted Life

### Stiff Little Fingers

I could be a soldier  
Go out there and fight to save this land  
Be a people's soldier  
Paramilitary gun in hand  
I won't be a soldier  
I won't take no orders from no-one  
Stuff their fucking armies  
Killing isn't my idea of fun

R:

They wanna waste my life  
They wanna waste my time  
They wanna waste my life  
And they've stolen it away

I could be a hero  
Live and die for their 'important' cause  
A united nation  
Or an independent state with laws  
And rules and regulations  
That merely cause disturbances and wars  
That is what I've got now  
All thanks to the freedom-seeking hordes

R:

I'm not gonna be taken in  
They said if I don't join I just can't win  
I've heard that story many times before  
And every time I threw it out the door

Still they come up to me  
With a different name but same old face  
I can see the connection  
With another time and a different place  
They ain't blonde-haired or blue-eyed  
But they think that they're the master race  
They're nothing but blind fascists  
Brought up to hate and given lives to waste
