

Stay Captive

Still Remains

Watching for you,
Conceived with no eyes.
Listen for the voice.
Plant within me, eyes that open.
Leading where I walk.

I feel I know you well,
If I were you I'd wait

Until someone moves or cares,
Stay captive.
Keep yourself there,
Wait for love. (2x)

I see everything,
Every move I make,
Painted before you.
Stall your move,
Heart that lingers.
I only move for you.

I feel I know you well,
If I were you I'd wait

Until someone moves or cares,
Stay captive.
Keep yourself there,
Wait for love. (2x)

Until someone moves or cares,
Stay captive.
Keep yourself there,
Wait for love. (2x)

Wait for love.

Until someone moves or cares,
Wait for love. (4x)
