

Mr. Yellow #5

Stillwell

If I sound like him, thanks for the compliment
Want to compare me to one of my heroes
If I turned you off, thanks for the disrespect
The more you hate it makes me stronger
Want to give your take, thanks for the introspect
But I don't care I'm going to live my life

Hey Mr. Yellow #5, won't you take me for a ride
Won't you tell me why I ...
Mr. Yellow #5, take me for a ride
Won't you tell me why I ...

Want to see me dead, thanks for the sentiment
I'm pretty sure somebody wants to see you go
Want to see me shine, thanks for the lift instead
It's good to know there's somebody on this side of the road
Want to break my neck, you're so affectionate
I'm so glad that I got your attention

Hey Mr. Yellow #5, won't you take me for a ride
Won't you tell me why I ...
Mr. Yellow #5, take me for a ride
Won't you tell me why I ...
