

## From Cayman Islands with Love

Stina Nordenstam

Half a day behind  
And miles away  
I'm on a beach  
The only one around  
I know who can't  
Enjoy the heat

I bought the postcard  
Now I have to write the words  
I left the country  
There's a chance you may have heard

Grand Cayman is great  
Of course it is  
Weather like this

Living is great  
Of course it is  
What else did you think

What else did you think

I said I want a man  
And not a boy  
You left the room  
The Caribbean sun  
So leaves me cold  
You never do

I want to see you  
Even want to see you bleed  
I can't believe I paid for this  
There's nothing here I need!

Grand Cayman is great  
Of course it is  
Weather like this

Living is great  
Of course it is  
What else did you think

What else did you think
