

Angel Eyes

Sting

Have you ever had the feeling
That the worlds gone and left you behind?
Have you ever had the feeling
That you're that close to losing your mind?

You look around each corner,
Hoping that she's there.
You try to play it cool, perhaps.
Pretend that you don't care.

But it doesn't do a bit of good.
You got to seek 'til you find.
Or you'll never unwind.

Try to think that loves not around.
Still it's uncomfortably near.
My old heart, ain't gaining no ground.
Because my angel eyes ain't here.

Angel eyes that old devil sent.
They glow unbearably bright.
Need I say, that my loves misspent?
Misspent with angel eyes tonight.

So drink up all you people.
Order anything you see.
Have fun you happy people.
The drink, and the laughs on me.

Pardon me, but I've got to run.
The facts uncomfortably clear.
Got to find who's now number one.
And why my angel eyes ain't here.

Tell me why my angel eyes ain't here.
Asking why my angel eyes ain't here.
Excuse me, while I disappear.
