You could say I lost my faith in science and progress You could say I lost my belief in the holy church You could say I lost my sense of direction You could say all of this and worse but

If I ever lose my faith in you There'd be nothing left for me to do

Some would say I was a lost man in a lost world You could say I lost my faith in the people on TV You could say I'd lost my belief in our politicians They all seemed like game show hosts to me

If I ever lose my faith in you There'd be nothing left for me to do

I could be lost inside their lies without a trace But every time I close my eyes I see your face

I never saw no miracle of science
That didn't go from a blessing to a curse
I never saw no military solution
That didn't always end up as something worse but
Let me say this first

If I ever lose my faith in you There'd be nothing left for me to do
