

It's Probably Me

Sting

If the night turned cold and the stars looked down
And you hugh yourself on the cold cold ground
You wake the morning in a stranger's coat
No one would you see

You ask yourself, who'd watch for me
My only friend, who could it be
It's hard to say it
I hate to say it, but it's probably me

When your belly's empty and the hunger's so real
And you're too proud to beg and too dumb to steal
You search the city for your only friend
No one would you see

You ask yourself, who could it be
A solitary voice to speak out and set you free
I hate to say it
I hate to say it, but it's probably me

You're not the easiest person I ever got to know
And it's hard for us both to let our feelings show
Some would say I should let you go your way
You'll only make me cry

If there's one guy, just one guy
Who'd lay down his life for you and die
It's hard to say it
It's hard to say it, but it's probably me

When the world's gone crazy and it makes no sense
There's only one voice that comes to your defense
The jury's out and your eyes search the room
And one friendly face is all you need to see

If there's one guy, just one guy
Who'd lay down his life for you and die
It's hard to say it
I hate to say it, but it's probably me
I hate to say it
I hate to say it, but it's probably me
