

## Russians

Sting

In Europe and America  
There's a growing feeling of hysteria  
Conditioned to respond to all the threats  
In the rhetorical speeches of the Soviets  
Mister Krushev said "We will bury you"  
I don't subscribe to this point of view  
It'd be such an ignorant thing to do  
If the Russians love their children too

How can I save my little boy  
From Oppenheimers deadly toy  
There is no monopoly on common sense  
On either side of the political fence  
We share the same biology  
Regardless of ideology  
Believe me when I say to you  
I hope the Russians love their children too

There is no historical precedent  
To put the words in the mouth of the president  
There's no such thing as a winnable war  
It's a lie we don't believe anymore  
Mister Reagan says "We will protect you"  
I don't subscribe to that point of view  
Believe me when I say to you  
I hope the Russians love their children too

We share the same biology  
Regardless of ideology  
But what might save us, me and you  
Is if the Russians love their children too
