

Defend Or Die

Stone Gods

Falling In-to the fire
Fight The Pain
Defend Or Die
Body Hurts
Just Deserts
Last Came First
Defend Or Die

I Dont Feel Well
I Dont Look Well
I Cant Be Well

Hold My Soul
Blame Myself
No Excuse
For This Abuse
Hold My Soul
Blame Myself
No Excuse
For This Abuse

Feels His Burn
It Cant Be Good
Test My Blood
Defend Or Die
I Made My Bed
I'm Gunna Die In It
On My Own
Defend Or Die

I Dont Feel Well
I Dont Look Well
I Cant Be Well

Hold My Soul
Blame Myself
No Excuse
For This Abuse
Hold My Soul
Blame Myself
No Excuse
For This Abuse

(HUUWAAHH)

I Made My Bed
I'm Gunna Die In It
On My Own

Defend
Defend
Defend
Defend
Defend (Defend Or Die)
Defend (Defend Or Die)
Defend (Defend Or Die)
Defend (Defend Or Die)

Or Die!
