

I Am The Resurrection

The Stone Roses

1. Down down you bring me down
I hear you knocking down my
Door and I can't sleep at night

Your face it has no place
No room for you inside my
House I need to be alone

R: Don't waste your words I don't need
Anything from you
I don't care where you've been or
What you plan to do

2. Turn turn I wish you'd learn
There's a time and place for every
Thing I've got to get it through

Cut loose 'cause you're no use
I couldn't stand another
Second in your company

R: Don't waste your words...

3. Stone me why can't you see
You're a no one nowhere washed up
Baby who'd look better dead

Your tongue is far too long
I don't like the way it sucks and
Slurs upon my every word

R: Don't waste your words...

*: I am the resurrection and I am the life
I couldn't ever bring myself
To hate you as I'd
Like

I am the resurrection and I am the life
I couldn't ever bring myself
To hate you as I'd like
