

# I Am The Resurrection

The Stone Roses

1. Down down you bring me down  
I hear you knocking down my  
Door and I can't sleep at night

Your face it has no place  
No room for you inside my  
House I need to be alone

R: Don't waste your words I don't need  
Anything from you  
I don't care where you've been or  
What you plan to do

2. Turn turn I wish you'd learn  
There's a time and place for every  
Thing I've got to get it through

Cut loose 'cause you're no use  
I couldn't stand another  
Second in your company

R: Don't waste your words...

3. Stone me why can't you see  
You're a no one nowhere washed up  
Baby who'd look better dead

Your tongue is far too long  
I don't like the way it sucks and  
Slurs upon my every word

R: Don't waste your words...

\*: I am the resurrection and I am the life  
I couldn't ever bring myself  
To hate you as I'd  
Like

I am the resurrection and I am the life  
I couldn't ever bring myself  
To hate you as I'd like
