Love Spreads

The Stone Roses

Love spreads her arms, waits there for the nails I forgive you boy, I will prevail Too much to take, some cross to bear I'm hiding in the trees with a picnic, she's over there Yeah Yeah Yeah Yeah Yeah Yeah

She didn't scream, she didn't make a sound I forgive you boy, but don't leave town Cold black skin, naked in the rain Hammer flash in the lightning They're hurting her again

R: Let me put you in the picture
Let me show you what I mean
The messiah is my sister
Ain't no king man she's my queen
[2x]

I have a dream, I've seen the light Don't put it out, say she's alright Yeah she's my sister

She didn't scream, she didn't make a sound I forgive you boy, but don't leave town Cold black skin, naked in the rain Hammer flash in the lightning They're hurting her again Oh Oh

R: Let me put you... (6x)
