

## Trust a Fox

The Stone Roses

Dirty linen's on public display  
This fox is a vulture, make no mistake  
The day is long gone when I succumb to this  
End of my day, nothin' but rage

He'll cut your face off, I'll sooner say hello  
He'll cut your face, I'll sooner say hello  
I cut your face off, I'll sooner say hello  
I'll cut your face  
I'll sooner say, I'll sooner say, I'll sooner say  
Hello

Dirty linen's on public display  
No I need no excuse, up and away  
Trust me, trust a fox, a silly thing to do  
I want the blood of an Englishman

He'll cut your face off, I'll sooner say hello  
I'll cut your face, I'll sooner say hello  
He'll cut your face off, I'll sooner say hello  
I cut your face  
I'll sooner say, I'll sooner say, I'll sooner say  
Hello

Ha !

I'll cut your face off, I'll sooner say hello  
I cut your face, I'll sooner say hello  
I'll cut your face off, I'll sooner say hello  
I cut your face  
I'll sooner say, I'll sooner say, I'll sooner say  
Hello

I'll sooner say hello, I'll sooner say hello  
I'll sooner say hello, I'll sooner say hello

He'll cut your face off, I'll sooner say hello  
He cut your face, I'll sooner say hello  
I'll cut your face off, I'll sooner say hello  
I cut your face  
I'll sooner say, I'll sooner say, I'll sooner say  
Hello
