

Absolute Zero

Stone Sour

The bloody angle
The symmetry
Your cheap adhesive isn't holding me
My mouth is a gun I can shoot
I can show you the truth
and I don't need a reason to lie to you
No pun intended
No punishment
If I offended you, you needed it
Ideas are the bombs in your mind
A fissure in time
If you don't have a weapon, you can't have mine

I can bleed if I want to bleed
I can fail if I feel the need
This face is my last confession
This life, it feels like a prison

Oh, I'm not afraid
I'm giving into grievances again
You're looking at an absolute zero
I'm not a devil
but I won't be your hero

The catatonic
The sacrilege
Your primadonnas are a privilege
My God need to react
It's as simple as that
It's better just to settle than face the facts

I can bleed if I want to bleed
I can fail if I feel the need
This face is my last confession
This life, it feels like a prison

Oh, I'm not afraid
I'm giving into grievances again
You're looking at an absolute zero
I'm not a devil
but I won't be your hero

One thing that I can't stand
is when the minutes fight the second hand
I'll waste a lifetime's worth
just to cling to one more day

No fucking quarter
No premiums
The world is stuck in delirium
Man is a four-letter word
It's really absurd
The hate isn't fake it's just inferred

Oh, I'm not afraid
I'm giving into grievances again
I'm down to absolute zero

Another zealot with the weight of the fucking world

Oh, I'm not afraid and I will let you down as I hold you in
You're looking at an absolute zero
I'm not a devil
but I won't be your hero
