

Get Inside

Stone Sour

Seed, gotta let it grow
Why ya gotta watch when I let it feed?
Better look into the mirror
For the face you hide away, everyday
But I don't give a fuck
I let it roll, I smoke the old
Gotta run, gotta rend, gotta maim
Gotta make it through another maze, stay away

Please wring the blood from my hands
Don't pretend that you understand me
I don't even want you looking at me

Motherfucker, get inside
Get inside, get inside
Motherfucker
Get inside, get inside
Motherfucker
Get inside, get inside
Motherfucker
Get inside, get inside, inside

Christ, have you seen this guy?
Make you sick, gonna peel away all the impurities
'Cuz all you wanna do is keep curin' me
But I don't give a fuck I kill everyone
You'll be mopping up blood and guts
And all the shit when I'm done, isn't this fun?
Gimme a gun and I'll tell you all the secrets
I hide, before I run

Please wring the blood from my hands
Don't pretend that you understand me
I don't even want you looking at me

Motherfucker, get inside
Get inside, get inside
Motherfucker
Get inside, get inside
Motherfucker
Get inside, get inside
Motherfucker
Get inside, get inside, inside

Maybe if you look away, I can slip away
Gotta get away right now
I stare at shit, I'm a heretic
But I'll never give you none of it
Tied up in the back of the lab, laid on the slab
Got the gift of gab What'cha want from me?
I don't even know I got a damn disease
But I know you wanna kill me

Please wring the blood from my hands
Don't pretend that you understand me
I don't even want you looking at me

Motherfucker, get inside
Get inside, get inside
Motherfucker
Get inside, get inside
Motherfucker
Get inside, get inside
Motherfucker
Get inside, get inside
