## **Road Hogs**

**Stone Sour** 

Born and raised in this place called life I got a serious case of the clap Dirty fingernails killin' and stealin' I'm a bonified psycho and I'm ready to snap Take a demon seed Smoke a lotta weed You can't stop me Oh, hell no It's greasy style And my shit for miles Come and get me Yeah, come on and get me, man Yeah yeah, oh yeah, hell yeah Road hog Yeah yeah, oh yeah, hell yeah Road hog On the highway, I am thick as shit It's just the seat is really killin' my 'roids Motorcycles and a fifth of the beam I'm a double cammy shammy with a need to destroy, yeah Super holy shit Lose the acid tits You can't stop me Oh, hell no There, you missed a cue Have a turkey Yeah, come on and get me, man Yeah yeah, oh yeah, hell yeah Road hog Yeah yeah, oh yeah, hell yeah Road hog I never said anything Don't make it fucking killing me My boots are hard Lookin' through the stars Really munchy Go, can't face the munchyness Yeah yeah, oh yeah, hell yeah Road hog Yeah yeah, oh yeah, hell yeah Road hog Too much on my face Skeeters in my teeth Fuck it, oh shit And we're almost done Ain't this shit been fun? See you later Yeah, y'all come back now

Road hog, baby Chicken fried, double cheese Put everything on it
