

Art School Girl

Stone Temple Pilots

I gotta girlfriend, she goes to art school
I gotta art school girlfriend yeah
I gotta girlfriend, she gotta girlfriend
We gotta girlfriend, girlfriend gotta go
She left her home from sweet Alabama
Rose Alabama for the city, New York City yeah
I told you five or four times
I gotta girlfriend, she goes to parties
Underground parties, Andy Warhol everywhere
She wears the leather, I wear the makeup
We'll never break up, been together for a month
She left her home from Sweet Alabama
Rose Alabama for the city, New York City yeah
I told you five or four times
