

Hello It's Late

Stone Temple Pilots

Hello, it's late
You know I've tried to stop the rain
Did you read about it?
Did you think about it?
Did you cry but nothing came?

Hello it's late
I know we tried to win the game
Did you hear about it?
Did you dream about it?
I know you cried but nothing changed ?
Nothing matters again
I didn't think it'd last that long
But I'm just sittin' on this merry-go-round,
And the music is too loud

It's just a game
That we used to play
I didn't think we'd
Take it all the way
It kills me just because
It can't be erased -
We're married
