

## Sex & Violence

Stone Temple Pilots

I used to love you now I don't care  
Now I turn around, you're everywhere  
So you can chew me up and spit me out  
You're just a little bitch I cared about

I know you can see me  
But you don't believe me  
I know that you're lonely  
Time will tell and time is hell

No sex or violence  
No morbid silence  
Forever sleeping  
You won't stop breathing

You hold me captive and it's not fair  
Progressed insanity is everywhere  
You used to love me but you kicked me out  
My head is wandering so knock me out  
I keep my head afloat I'm drownin' in  
The muddy water pulls me down again  
I used to love me but I hate me now  
I'm just a little bitch I cared about
