

## Too Cool Queenie

Stone Temple Pilots

There was this girl  
Who lived not too long ago  
As a matter of fact I think  
She lives still  
She knew she could do no wrong  
Just singin' those songs  
That we all knew

She would always crash the party  
It was no surprise  
It was for her

Too Cool Queenie

There was this boy  
He played in a rock-n-roll band  
And he wasn't half-bad,  
At saving the world  
She said he could do no right  
So he took his life  
His story is true

It's ok cause what goes around, comes around  
It's all right cause what goes around, comes around

And now this girl,  
Yeah she got real famous  
And she made lots of money and  
Some of his too  
But still she thinks she can do no wrong  
Just playing those songs  
She's all too cool
