

Vaseline

Stone Temple Pilots

One time a thing occurred to me
What's real and what's for sale?
Blew a kiss and tried to take it home

Isn't you, isn't me
Search for things that you can't see
Goin' blind, out of reach
Somewhere in the vasoline

Two times and it has rendered me
Punched, drunk and without bail
Think I'd be safer all alone

Flies in the vasoline, we are
Sometimes it blows my mind
Keep gettin' stuck here all the time

Isn't you, isn't me
Search for things that you can't see
Goin' blind, out of reach
Somewhere in the vasoline

You'll see the look and you'll see the lies
You'll eat the lies and you will

Flies in the vasoline, we are
Sometimes it blows my mind
Keep gettin' stuck here all the time

Isn't you, isn't me
Search for things that you can't see
Goin' blind, out of reach
Somewhere in the vasoline
