Don't Be Angry

Stonewall Jackson

Don't be angry with me darling
If I fail to understand
All your little whims
And wishes all the time

Just remember that I'm dumb
I guess like any foolish man
And my head stays sorta foggy
'Cause you're mine

Well I recall the first time That I flirted with you dear When I jokingly said Come and be my bride

Now that time has turned the pages It's the sweetest joke on earth That I have you here Forever by my side

Maybe someday you're gonna hurt me I've been hurt in love before Only God can know And time alone will tell

But in the mean time I'll keep loving you With all my heart and soul And pray God to let it last If it's his will

So don't be angry with me darling
If I fail to understand
All your little whims
And wishes all the time

Just remember that I'm dumb
I guess like any foolish man
And my head stays sorta foggy
'Cause you're mine
