Mansion On The Hill

Stonewall Jackson

Tonight down here in the valley I'm lonesome and oh how I feel As I sit here alone in my cabin I can see your mansion on the h ill Do you recall when we parted the story to me you revealed Yes you said you could live without love dear in your loveless mansion on the hill I've waited all through the years love to give you a heart true and real 'Cause I know that you're living in sorrow in your loveless man sion on the hill The light shines bright from your window the trees stand so sil ent and still

In your loveless mansion on the hill
